The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, DC 20515

I am requesting funding for the **Supervisory Control and Data Acquisition System Upgrade Project** in fiscal year 2023.

The entity to receive funding for this project is Dallas Area Rapid Transit (DART), located at 1401 Pacific Avenue, Dallas, TX 75202.

The funding would be used to make improvements to the Supervisory Control and Data Acquisition (SCADA) System Upgrade Project. DART's SCADA System is used to control and efficiently manage their extensive light rail network. This project would improve system reliability and safety, as well as add important capabilities including multi-site functionality, multi-modal future integrations and add new optical transmission network compatibility.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in blue ink, appearing to read "Colin Allred".
